

### **Wisler deserves your vote**

In review of the results of the Asheville primary, I was encouraged to observe that a large percentage of our citizens recognized Gwen Wisler, our current vice mayor, as one deserving to be re-elected to Asheville City Council for another term.

Gwen Wisler has more than once let her business background show as she steered Council's financial decisions in a manner that resulted in cost savings and responsible use of our tax money. We can do no wrong in sanctioning this primary vote by fully supporting the re-election of Gwen Wisler for another term to Asheville City Council.
